Who's that dog I saw you with?

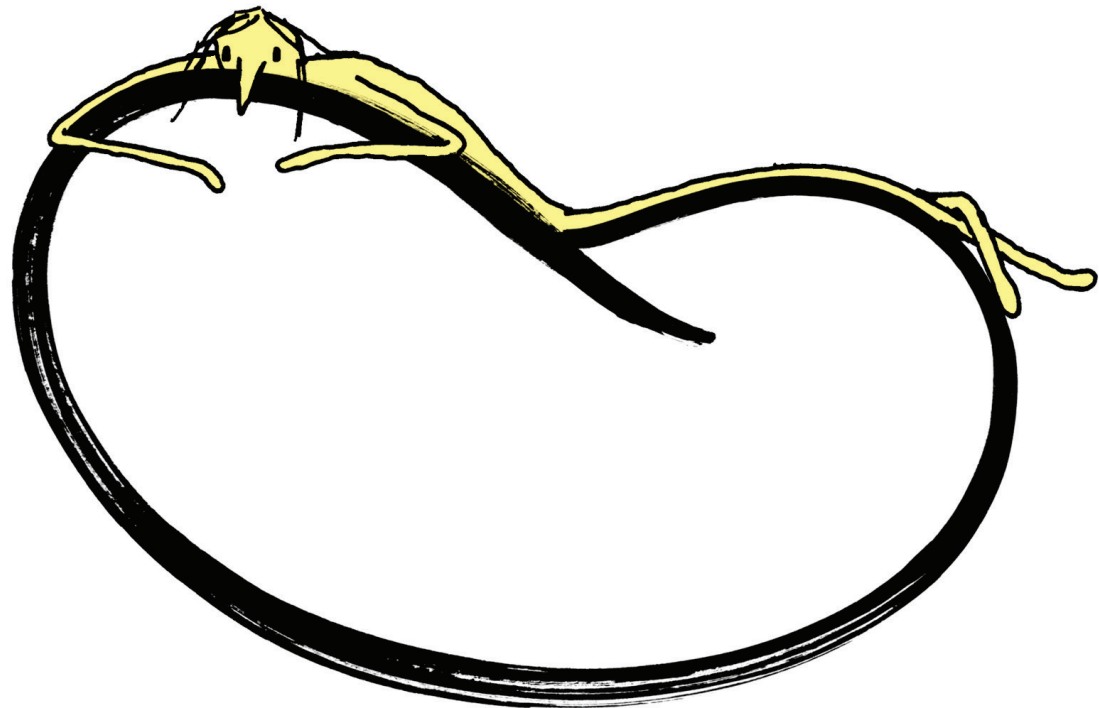

26.10.17 – 12.11.17

Who's that dog I saw you with?

*Walking down in falling rain
for something sweet to numb the pain
Soaked in water drowned in shame
it was myself I had to blame*

*I dropped my milkshake seeing you
holding hands with someone new
Here I'm left without my crush
in a puddle of vanilla slush*

*I was blind but now i see
how much your presence meant to me
Empty shells left on my floor
my peanut love walked out the door*
